

The Seventh Conference of Geophysical Technology, CGS International Symposium on Geophysical Instruments and Their Application

The Second Announcement

In order to promote the innovation and development in the methodology and instrument of geophysics, the Committee of Geophysical Technology under Chinese Geophysical Society is going to hold “International Symposium on Geophysical Instruments and Their Application” in September 22-24, 2016 in Beijing (The Seventh Conference of Geophysical Technology, CGS)”. The arrangements of this symposium are as follows:

1. The Subject of the Symposium

Promote the innovation of geophysical methodology, and lead the future of exploration apparatus technology.

2. Topics of the Symposium

- (1) Methodology and instruments of gravity, terrestrial magnetism and electricity
- (2) Methodology and instruments of seismic exploration
- (3) Methodology and instruments of nuclear geophysics
- (4) Methodology and instruments of ocean and aviation exploration
- (5) Methodology and instruments of geophysical logging and hydraulic fracture monitoring
- (6) Methodology and software of geophysical forward modeling and reversal analysis
- (7) Monitoring techniques and early warning methods for geological hazard
- (8) Detecting techniques for underground space and city ground
- (9) Detecting techniques for geothermal energy and groundwater
- (10) Exploration techniques for source and energy

3. Call for papers

Paper submission begins at the same time when this announcement is released. The deadlines for paper submission are adjusted as follows:

- ✧ June 10, 2016 for detailed abstracts / Accepting state notice, July 10, 2016
- ✧ June 20, 2016 for complete papers / Accepted state notice, August 20, 2016
- ✧ Please follow the format requirements of *Chinese Journal of Geophysics*, which can be read on main page of the journal, <http://www.geophy.cn/CN/volumn/home.shtml>.
- ✧ Paper may be written either in Chinese or in English; and English abstract for a paper in Chinese and Chinese abstract for a paper in English are required.
- ✧ Accepted paper will be compiled into a collection, and the collection will be collected

中国地球物理学会地球物理技术委员会

Committee of Geophysical Technology, Chinese Geophysical Society

in [Chinese Academic Conference Papers Database \(CACAP\)](#).

- ✧ Accepted papers will be published on Journals such as *Chinese Journal of Geophysics* (SCI), *Journal of Jilin University* (Earth Science Edition) (EI), *Progress in Geophysics*, and so on in the light of selection according to the contents of papers.
- ✧ Please send abstracts and papers to Email box: cgtsc@126.com.

4. Instrument Exhibitions

Registration for instrument exhibitions begins at the same time when this announcement is released. Please send the information including types of instruments and areas for exhibition to mailbox: cgtsc@126.com before August 10, 2016. Please find the concrete arrangements for instrument exhibitions in “Invitation for Instrument Exhibition” attached.

5. Time and Location

- ✧ **Time:** September 22-24, 2016 (whole day of September 22 for check-in).
- ✧ **Location:** UCAS International Conference Center, North bank of Yanqi Lake, Huanrou, Beijing.

6. Registration and Exhibition Fees

- ✧ **Registration fee:** RMB 1800 /each person (RMB 900/each person for students), or USD 400/each person
- ✧ **Exhibition fee:** USD 1000/ each desk with area 2m×2m, and one person’s registration fee free
- ✧ Organizer will arrange room and board for registered participants.

7. Organizers, Undertakers and Sponsors

Organizers:

- ✧ Committee of Geophysical Technology, Chinese Geophysical Society
- ✧ Institute of geophysical and geochemical exploration, Chinese Academy of Geological Sciences
- ✧ Institute of Geology and Geophysics, Chinese Academy of Sciences
- ✧ Institute of electronics, Chinese Academy of Sciences
- ✧ China National Land and resources aviation geophysical Remote Sensing Center
- ✧ University of Chinese Academy of Sciences
- ✧ Jilin University
- ✧ Yangtze University
- ✧ China University of Mining and Technology
- ✧ China University of Mining and Technology (Beijing)
- ✧ China University of Geosciences (Beijing)
- ✧ China University of Geosciences (Wuhan)
- ✧ University of Science & Technology of China
- ✧ Huazhong University of Science and Technology
- ✧ Central South University
- ✧ Chengdu University of Technology

Committee of Geophysical Technology, Chinese Geophysical Society

◇ East China Institute of Technology

Undertakers:

- ◇ College of Earth Sciences, Chinese Academy of Sciences
- ◇ Beijing Explo-Tech Engineering Co., Ltd.
- ◇ National Geophysical Exploration Instrument Engineering Technology Research Center
- ◇ Hunan Geosun High-tech Co., Ltd.
- ◇ Geological Exploration Technologies Institute of Anhui Province

Sponsors:

- ◇ Information technology professional committee of the Chinese Geophysical Society
- ◇ Committee of Engineering Geophysics, Chinese Geophysical Society
- ◇ Geological Instrument Tech. Committee, China Instrument and Control Society
- ◇ Beijing Dongcheng Vibration Engineering Society
- ◇ Beijing orangelamp geophysical exploration Co., Ltd.
- ◇ Geopen technology (Beijing) Co., Ltd.
- ◇ Hengda Century (Beijing) Geophysical Technology Co. Ltd.

The Seventh Conference of Geophysical Technology, CGS International Symposium on Geophysical Instruments and Their Application

Invitation for Instrument Exhibition

The Committee of Geophysical Technology under Chinese Geophysical Society is going to hold “International Symposium on Geophysical Instruments and Their Application” in September 22-24, 2016 in Beijing (The Seventh Conference of Geophysical Technology, CGS)”. Instrument exhibition will also be arranged during the symposium. Now, we sincerely invite manufacturers or dealers of instruments taking part in the instrument exhibition. The arrangement for the instrument exhibition as follows:

Date for Exhibition desk setting: September 22 (check-in day).

Exhibition Time: September 23-24, 2016.

Location for Exhibition: UCAS International Conference Center.

Area of an exhibition desk: 2 m×2m with one table and two chairs.

Exhibition fee: USD \$1000/per desk with one person’s symposium registration fee free.

The registration for the instrument exhibition begins as this invitation issued. Please fill “Enrollment Form” and send it to mailbox: cgtsc@126.com before August 10, 2016.
